

Examination results 2024 - Celebrating Student Success

At Bowden House School, we are incredibly proud of our students' achievements, which highlight their resilience, dedication, and the impact of our trauma-informed approach. This year, we celebrate our three Year 11 GCSE students for their hard work and success, as well as two exceptional Year 10 students who sat their Maths GCSE a year early - a testament to their commitment and the support of their teachers.

These accomplishments reflect not only academic success but also the personal growth nurtured through our therapeutic and supportive learning environment. Well done to all our students!

Examination results 2025 - Celebrating Student Success

At Bowden House School, we are proud to celebrate our students' achievements in their 2025 examinations. Every student represented in the results below achieved qualifications, and all recorded entries in Art, Science, PE and Citizenship received a graded qualification.

Highlights include all Art students achieving grades 4-6, with 86% exceeding their FFT target grade, and every Citizenship student meeting or exceeding their Bowden target grade. We also celebrate an Entry Level 2 award in Maths, recognising achievement across different qualification pathways.

Our trauma-informed and supportive approach places value on every student's individual achievements. We celebrate the effort and determination involved in preparing for examinations and thank our staff, families and carers for their support. Congratulations to our students, and we wish them every success in their next steps.
